SUPPLEMENTAL RESPONSE

This is a Supplemental Response to the August 23, 1993 Official Action in the above-identified application.

In response to the August 23, 1993 Official Action, applicant submitted a facsimile copy of the Declaration of Dr. Johann Berger and stated that the Declaration with original signature would be filed subsequently.

Submitted herewith is a fresh Declaration of Dr. Johann Berger, which is identical to the previously filed facsimile copy, and which bears the original signature of the declarant.

Also submitted herewith is a copy of Hay et al., Clin. Chem., 37: 2003-2008 (1991) (Exhibit A), which was listed as an enclosure to, but inadvertently omitted from the response to the August 23, 1993 at the time of mailing to the Patent and Trademark Office.

Applicant again respectfully requests, for the reasons presented in the earlier response, that the rejections

1813 #15 1/18/94 set forth in the August 23, 1993 Official Action be withdrawn and that this application be passed to issue.

Respectfully submitted,

DANN, DORFMAN, HERRELL AND SKILLMAN A Professional Corporation
